NOTIFICATION

No. H5-60665/74. *Trivandrum, dated 12th July* 1974.

In exercise of the powers conferred by sub-rule (4) of Rule 2, Chapter V of K. E. R. the Director of Public Instruction hereby publishes in the appendix to this notification the final list of areas where new High Schools are to be opened or U. P. Schools are to be upgraded in the year 1974-75.

It is the decision of Government to sanction new Government High Schools or to upgrade Government U. P. Schools only in the areas notified in the appendix. The sponsors who propose to open new Government High Schools or to upgrade Government U. P. Schools in the areas notified should provide 1.2 Hectares (3—Three acres) of unencumbered land (including land already owned by the school, if any) and furnish a cash deposit of Rs. 25,000 before 3rd September 1974. The cash deposit of Rs. 25,000 will be relaxed, in case the sponsors provide permanent building to accommodate 6 (six) class rooms of the dimensions laid down in Rule 6, Chapter IV of K. E. R. and the required furniture etc. In cases where the sponsors furnish a cash deposit of Rs. 25,000 they have also to provide, in addition to the cash deposit, either temporary accommodation or rent free building and minimum furniture, etc., required for as many class divisions as are proposed to be opened for Standard VIII this year for a period of six months. Standard VIII will be allowed to be opened in all the new Government High Schools proposed to be opened or Government U. P. Schools proposed to be upgraded subject to the conditions mentioned above.

The school site should have the approval of the District Educational Officer. The conditions regarding site, permanent building/cash deposit with temporary accommodation, furniture etc., for Standard VIII have to

be fulfilled by the sponsors before 3rd September 1974. The District Educational Officer concerned will satisfy himself of the fulfilment of the conditions and report to the Director of Public Instruction for issuing formal orders for opening new Government High Schools or upgrading Government U. P. Schools.

Admissions of pupils to Standard VIII in the new Government high Schools will be permitted only after the issue of the formal orders for opening the schools. The staff of these new High Schools will be allowed to be fixed based on the effective strength calculated as on the 6th working day from the date of formal opening of the Schools.
